To complete the tasks outlined in the grid, you should use the following resources to help you:

- Your Welsh exercise book
- Your Knowledge Organiser (L5 grade copy on Slide 3)

Task Grid

On the first slide we have provided you with 9 varied tasks to help you revise and make progress in your use of Cymraeg. All tasks apart from the red “Teacher Task” should be completed in your exercise book. The red “Teacher Task” needs to be completed on Word and sent to your Welsh teacher via Microsoft Teams.

The collage contains the following elements:

- Welsh Grammar Reference Sheet:** A table with columns for 'Language', 'Sentences Patterns', and 'Tenses'. It lists various Welsh phrases and their English equivalents, such as 'Hyd! Yr hoff!' (I like), 'Byddai'n eiddo' (I would like to), and 'Dylwn i' (I should).
- Bitesize Website:** A screenshot of the Bitesize website for GCSE Welsh Second Language (WJEC). It features a navigation bar with 'Home', 'Daily lessons', 'Learn', 'Support', and 'Careers'. A prominent 'Diolch!' (Thank you!) message is displayed on a tablet graphic.
- Microsoft Teams Logo:** The standard Microsoft Teams logo, consisting of a grid of dots and the text 'Microsoft Teams'.

If you need assistance, please look at the video tutorial on Work Zone where Mrs Evans shows you how to upload your work. Alternatively, contact your teacher via your class' Microsoft Teams channel/ school email.
