

## Year 1 The Beach

Activity (Brief description)	ALOE Links:
<p><b>Sand Art:</b> Draw or paint a seaside picture using the glue, then sprinkle the sand onto your design and let it dry. Try decorating a frame for your masterpiece. Now try writing your name using the glue.</p>	<p><b>EA</b></p>
<p><b>Natural beach art and research:</b> There are lots of amazing things to be found at the beach; creatures, pebbles driftwood and so much more! Check out the work by the land artist James Brunt, he creates patterns using pebbles and rocks. Can you make a masterpiece of your own? Don't forget to take a photo. Can you research any other land artists?</p>	<p><b>EA HUM</b></p>
<p><b>Shell craft and research:</b> Can you find some shells on the beach? Pick them safely with a grown-up as they could be sharp. Now create your own seashell arts and crafts. Can you research the different types of shells that you found?</p>	<p><b>EA HUM</b></p>
<p><b>Pebble towers:</b> Building pebble towers is lots of fun, who can build the tallest tower? Count the pebbles but take care that they don't topple over! Who built the tallest tower? Can you build another and find the total number of pebbles used?</p>	<p><b>MD</b></p>
<p><b>Message in a bottle: Imagine</b> finding a message in a bottle! Where did it come from? Who wrote it? Can you write a message to someone in the future to describe life in 2020 Include information about your hobbies, don't forget to include the date.</p>	<p><b>LLC</b></p>
<p><b>Beach scavenger hunt:</b> Can you find the listed items at the beach? Use gloves or litter pickers to keep your hands safe or even take a photo of what you found. Tick off the items that you find.</p>	<p><b>HUM</b></p>
