Reading Practice

Je m'appelle Philippe et j'ai quinze ans. Je suis né en Angleterre, mais j'habite à Lyon. C'est une grande ville moderne et historique dans l'est de la France. Il y a une longue rivière dans le centre-ville, qui s'appelle la Rhône. Au mois de décembre il y a "la fête des lumières" au bord de la rivière – c'est très amusant! Il y a un centre commercial très moderne qui s'appelle La Part Dieu et il y a trois universités populaires. Cependant, je n'aime pas ma ville car il n' y a pas de plage et c'est un peu sale.
