

I.T

Look at the people on TV reporting the weather.

What kind of language do they use?

Can you do the same? Film yourself explaining what the weather will be like over the next few days.

Here are some ideas on our weather theme

Do you have any other ideas?

**REMEMBER TO SEND US YOUR WORK ON
GOOGLE CLASSROOM or CLASS DOJO**

Mathematics

Can you gather data about the weather and record it in a table? You can use apps such as BBC Weather to help you.

Use J2data/JIT to create a graph of:

- The temperature.
- The weather (sun/rain...)
- The wind speed.

Geography

Do you know people who live in another part of the country? What about in another country?

How about creating a table and comparing the weather here and where they live.

(Remember to ask an adult to help you get in touch with others)

Language / Writing

Write a newspaper article about an event to do with the weather.

It could be floods, drought, a hurricane...

Remember to include:

- The name of the paper
- Heading
- Sub-heading
- Date
- Pictures
- Quotes by eye witnesses

P.E

- Can you create a dance which reflects the weather? How about a dance to show a storm? Send us a video.
- Have a go at one of the Cosmic Kids Yoga lessons <https://www.cosmickids.com/>

Language

Research an aspect of weather which interests you – it could be anything. Then choose your own way of teaching others about it.

It could be a poster / video / fact sheet or record your voice telling us what you have learnt.

Theme: Weather

Gwyddoniaeth

Ewch ati i greu eich gorsaf dywydd eich hun. Beth am fesur y glaw sy'n syrthio mewn 24awr neu o ba gyfeiriad mae'r gwynt yn dod.

Sut ydych chi am gofnodi? Mae'r dewis i fyny i chi!
