Maths

Look at the money they use in other countries.

Can you find out...

- How much of the money in other countries is equivalent to £1?
- How much do things cost in other countries such as a loaf of bread / an apple?

What else can you learn about money in other countries?

Geography

Can you find the distance between Wales and other countries?

Can you show your findings on a map or in a table?

PE

When we think of Wales we think of rugby. Do other countries have similar games?

Can you learn how to play one of them? Can you write instructions how to play the game?

Theme: The world and it's people

Language

Choose a language to study. How is it similar / different to Welsh or English? Are there similar words?

Can you learn how to say:

- Hello
- Goodbye
- Good Morning
- Thank you
- Please
- Count to 10

in the language?

Can you film yourself saying some of these words to teach others?

Art

Countries around the world have a wealth of art work. How about trying to create similar work. Here are some ideas...

A spotty picture from Australia (use a cotton bud to create the spots).

Hand patterns similar to those seen in India.

Do you have your own ideas from other countries?

Cookery

Countries around the world make many different dishes of food. Can you cook a meal from another country?

How about having an international themed food night!
