Hello! My name is Tai and I am in Year 9. I think that all the work on “Ma Ville” and talking about holidays was interesting, and it has helped me to improve my French. I enjoy class competitions like Kahoot and Quizizz because they are fun. I like learning from films, interactive games, and other activities on the computer because I like the variety. I am also able to go on the computer whenever I want to look over the work or if I need to have another go at an activity. Working on the computer really suits me because I always lose my schoolbooks!

Helo! Fy enw i yw Tai ac rydw i ym Mlwyddyn 9. Rwy'n credu bod yr holl waith ar “Ma Ville” a siarad am wyliau yn ddiddorol, ac mae wedi fy helpu i wella fy Ffrangeg. Rwy'n mwynhau cystadlaethau dosbarth fel Kahoot a Quizizz oherwydd maen nhw'n hwyl. Rwy'n hoffi dysgu o ffilmiau, gemau rhyngweithiol, a gweithgareddau eraill ar y cyfrifiadur oherwydd fy mod i'n hoffi'r amrywiaeth. Gallaf hefyd fynd ar y cyfrifiadur pryd bynnag yr wyf am edrych dros y gwaith neu os bydd angen i mi roi cynnig arall ar weithgaredd. Mae gweithio ar y cyfrifiadur yn addas iawn i mi oherwydd fy mod bob amser yn colli fy llyfrau ysgol!
