

Please find below an overview of the Bitesize Resource which we hope will help you plan on how you can use this resource in your school. Each of the sessions is made up of several short animated clips lasting between 2-5 minutes. At several times during the session, there are opportunities to pause and discuss. Each session is accompanied with a handbook which details the activities possible.

Leading Change 1a

Leading Change 1a.0

What is the case for change?
