

One Stop Shop –

Basic Starter Pack for French Resources

Here is a selection of activities to help children practise, learn, embed, extend and enjoy their learning of an International Language.

There are flashcards, words mats, games, songs, role play opportunities and a chance for children to extend their understanding by creating their own resources.

I hope this is a useful bank of resources to get you started. This is the tip of the iceberg of what is available to create a love of language in every child. It's worked for me and the children I teach, I hope it does for you ...
